In re:

MADOFF SECURITIES

ORDER

PERTAINS TO CASES LISTED IN EXHIBITS A & C

JED S. RAKOFF, U.S.D.J.:

A. Pending before the Court are various adversary proceedings commenced by Irving H. Picard, as trustee ("Trustee") in connection with the substantively consolidated liquidation proceedings of Bernard L. Madoff Investment Securities LLC and the estate of Bernard L. Madoff under the Securities Investor Protection Act, 15 U.S.C. §§ 78aaa *et seq.*, in which certain defendants (the "Stern Withdrawal Defendants") have sought withdrawal of the reference from the Bankruptcy Court to this Court by reason of, among other grounds, the Supreme Court's decision in Stern v. Marshall, 131 S. Ct. 2594 (2011) (the "Stern Decision").

B. Exhibit A hereto, prepared by the Trustee's counsel, identifies single cases or, in certain instances, the lead case of related adversary proceedings where defendants are represented by common counsel, in which Stern Withdrawal Defendants have filed motions to withdraw the reference (or joinders in such motions, as the case may be, which are deemed

included in the scope of this Order unless expressly stated otherwise on Exhibit A) based on, among other grounds, the Stern Decision (the “Adversary Proceedings”).

C. Exhibit C hereto, prepared by the Trustee’s counsel, identifies cases listed on Exhibit A where the Trustee and SIPC reserve the right to timely challenge whether the motions to withdraw the reference in the Adversary Proceedings are more appropriately raised before other Judges in this Judicial District.

D. The Court, over the objections of the Trustee and the Securities Investor Protection Corporation (“SIPC”), previously withdrew the reference from the Bankruptcy Court to consider issues regarding the Stern Decision raised by certain defendants. *See Picard v. Flinn Investments LLC*, 463 B.R. 280 (S.D.N.Y. 2011); *Picard v. Avellino*, 2012 U.S. Dist. LEXIS 35260 (S.D.N.Y. Mar. 1, 2012) (together, the “Prior Stern Withdrawal Rulings”).

E. During a telephonic conference held on March 28, 2012 (the “Telephone Conference”) that was prompted by counsel for the parties in certain actions listed in Exhibit B hereto, the Court directed the Trustee to propose a form of order to provide that all currently pending motions to withdraw the reference in the Adversary Proceedings based on the Stern Decision will be granted in part to address the Withdrawn Stern Issues (as defined below), for the same reasons for withdrawal of the reference stated in the Prior Stern Withdrawal Rulings, but otherwise remain *sub judice*.

F. During the Telephone Conference, the Court indicated that all objections that could be raised by the Trustee or SIPC to the pending motions to withdraw the reference in the Adversary Proceedings are deemed preserved on all matters.

G. During the Telephone Conference, the Court directed the Trustee to advise all Stern Withdrawal Defendants, regardless of when the Court granted a motion to withdraw the

reference, that the Court preferred to address the Withdrawn Stern Issues (as defined below) on the merits at this time in a common proceeding.

H. During the Telephone Conference the Court directed the Trustee to advise all Stern Withdrawal Defendants, regardless of when the Court granted a motion to withdraw the reference, that the Court preferred that all Stern Withdrawal Defendants choose one attorney to act as lead counsel at the oral argument at which the Court shall address the Withdrawn Stern Issues (as defined below), without prejudice to any other attorney being heard if the attorney so wished. The Trustee's counsel has represented that it so notified the Stern Withdrawal Defendants via email to the parties at the email addresses listed on Exhibits A and C hereto.

BASED ON THE FOREGOING, IT IS HEREBY ORDERED AS FOLLOWS:

1. The reference of the Adversary Proceedings is withdrawn from the Bankruptcy Court, in part, to this Court for the limited purpose of deciding the following issues (the "Withdrawn Stern Issues"):

(a) whether the Stern Decision prevents the Bankruptcy Court from entering a final order or judgment resolving claims by the Trustee to avoid or recover initial or subsequent transfers as fraudulent transfers, fraudulent conveyances and/or preferences;

(b) if the Bankruptcy Court cannot finally resolve the claims by the Trustee to avoid or recover initial or subsequent transfers as fraudulent transfers, fraudulent conveyances and/or preferences, whether the Bankruptcy Court has the authority to render proposed findings of fact and proposed conclusions of law; and

(c) whether the Court should permissively withdraw the reference of the Adversary Proceedings based on the Stern Decision for cause shown pursuant to 28 U.S.C. § 157(d).

2. The Trustee and SIPC are deemed to have raised, in response to all pending motions for withdrawal of the reference based on the Withdrawn Stern Issues, all arguments previously raised by either or both of them in opposition to all such motions granted by the Prior Stern Withdrawal Rulings, and such objections or arguments are deemed to be overruled,

solely with respect to the Withdrawn Stern Issues, for the reasons stated in the Prior Stern Withdrawal Rulings.

3. All objections that could be raised by the Trustee and/or SIPC to the pending motions to withdraw the reference in the Adversary Proceedings, and the defenses and responses thereto that may be raised by the affected defendants, are deemed preserved on all matters.

4. The Stern Withdrawal Defendants shall file one consolidated opening brief, not to exceed forty (40) pages, addressing the Withdrawn Stern Issues on or before May 3, 2012.

5. The Trustee and SIPC shall each file an opposition brief, not to exceed forty (40) pages each, addressing the Withdrawn Stern Issues on or before May 25, 2012.

6. The Stern Withdrawal Defendants shall file one consolidated reply brief, not to exceed twenty (20) pages, on or before June 11, 2012.

7. The Court will hold oral argument concerning the Withdrawn Stern Issues on June 18, 2012, at 2:00 p.m. (the "Hearing Date").

8. On or before June 11, 2012, the Stern Withdrawal Defendants shall designate one lead counsel to advocate their position at oral argument on the Hearing Date, but any other attorney who wishes to be heard may appear and so request.

9. The caption displayed on this Order shall be used as the caption for all pleadings, notices and briefs to be filed pursuant to this Order.

10. All communications and documents (including drafts) exchanged between and among any of the defendants in the Adversary Proceedings listed on Exhibits A and/or C, and/or their respective attorneys, shall be deemed to be privileged communications and/or work product, as the case may be, subject to a joint interest privilege.

11. This Order is without prejudice to any and all grounds for withdrawal of the reference (other than the Withdrawn Stern Issues) raised in the Adversary Proceedings by the Stern Withdrawal Defendants, all of which are preserved.

12. Nothing in this Order shall: (a) waive or resolve any issue raised by any party other than the withdrawal of the reference solely with respect to the Withdrawn Stern Issues; (b) limit, restrict or impair any defense or argument that has been raised or could be raised by any Stern Withdrawal Defendant in a motion to dismiss under Fed. R. Civ. P. 12 or Fed. R. Bankr. P. 7012, or any other defense or right of any nature available to any Stern Withdrawal Defendant (including, without limitation, all defenses based on lack of personal jurisdiction or insufficient service of process), or any argument or defense that could be raised by the Trustee or SIPC in response thereto; and (c) be deemed or construed as the submission of a motion to dismiss under Fed. R. Civ. P. 12 or Fed. R. Bankr. P. 7012.

13. Nothing in this Order shall constitute an agreement or consent by any Stern Withdrawal Defendant to pay the fees and expenses of any attorney other than such defendant's own retained attorney. This paragraph shall not affect or compromise any rights of the Trustee or SIPC.

14. This Order is without prejudice to and preserves all objections of the Trustee and SIPC to timely-filed motions for withdrawal of the reference currently pending before this Court (other than the withdrawal of the reference solely with respect to the Withdrawn Stern Issues) including, without limitation, the right to timely challenge whether the motions to withdraw the reference in the Adversary Proceedings set forth on Exhibit C hereto are more appropriately raised before other Judges in this Judicial District. This Order is also without prejudice to and preserves all rights of the affected defendants to object, oppose or otherwise respond to any

challenge by the Trustee or SIPC to the assignment of any Adversary Proceeding to Judge Rakoff.

15. The procedures established by this Order shall constitute the sole and exclusive procedures for determination of the Withdrawn Stern Issues in the Adversary Proceedings, and this Court shall be the forum for such determination. To the extent that briefing or argument schedules were previously established with respect to any of the Withdrawn Stern Issues in any of the Adversary Proceedings, this Order supersedes all such schedules solely with respect to the Withdrawn Stern Issues. To the extent that briefing or argument schedules are prospectively established with respect to motions to withdraw the reference or motions to dismiss in any of the Adversary Proceedings, the Withdrawn Stern Issues shall be excluded from such briefing or argument. Except as stated in this paragraph, this Order shall not be deemed or construed to modify, withdraw or reverse any prior Order of the Court that granted withdrawal of the reference in any Adversary Proceeding for any reason.

SO ORDERED.

Dated: New York, New York
